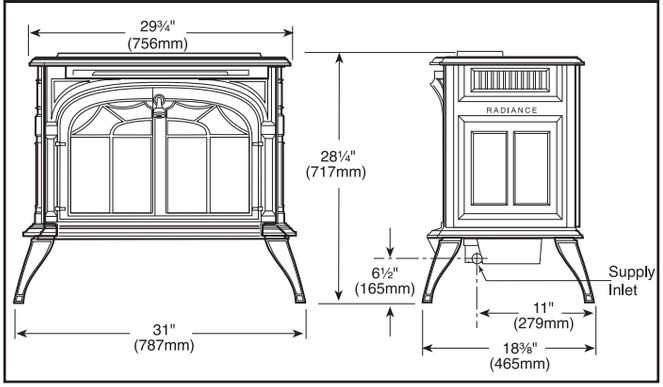
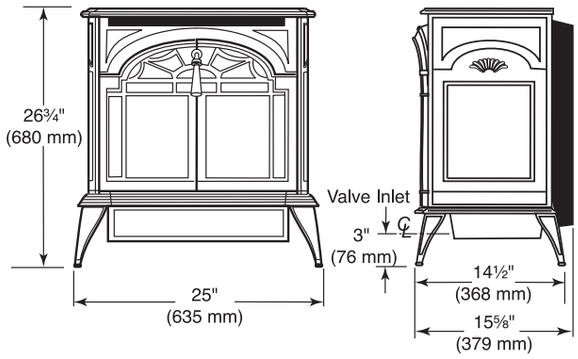
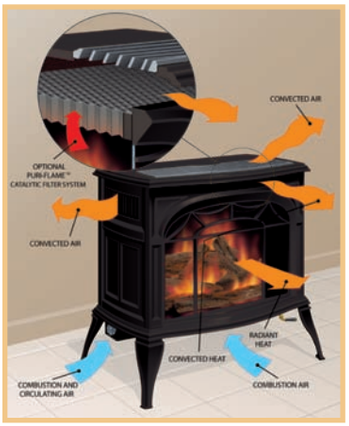
Two great looks. Two great stoves. Now, it's easy to find just the look you're looking for in a great Vent-Free Vermont Castings Stove.

Radiance UV



Stardance UV





Vent-Free Gas Stoves
Versatile Installation

- Uses no venting system – similar to a gas kitchen range
- Convenient to install
- Can be installed virtually anywhere in the home – as per sizing guidelines and BTU input
- Optional PuriFLAME internal filter system allows for a cleaner burn
- Can be installed directly over combustible flooring (except for carpeting and vinyl)

Note that vent-free stoves are not sold in certain States or Provinces.

LEGEND ⇨ COLD AIR FOR COMBUSTION ➡ EXHAUST ➡ CONVECTED HEAT ➡ RADIANT HEAT

Features and Benefits
